Dos and Don'ts of AAC: Pulling it All Together

Jane Farrall, December 9, 2015

This blog post pulls together observations and questions about the poster into one resource for easier reference to use in conjunction with the poster.

Learned Helplessness and How We Can Overcome It

Jordan Catapano, English teacher at Conant High School in Chicago.

Learned helplessness is a vicious cycle that reinforces itself. As students consistently perceive that there is nothing they can do to control their outcome, they make less and less of an attempt to do so. And as their effort dissipates, they fail.
