

STAR Survey for ISSUE 1.1 Communication Bill of Rights for AAC

Watch the STAR video at [www.ctecaac.org/star](http://www.ctecaac.org/star) and then answer these questions.

The Communication Bill of Rights was developed by the National Joint Committee for the Communication Needs of Persons with Severe Disabilities (NJCCNP).

In this video we learned that S.T.A.R.s will always make the least dangerous assumption when interacting with others regardless of how they look, how their body moves or what someone has told you about them. This is especially true with individuals who have difficulty communicating. Always remember, everyone has the right to communicate!
